Your ECPA Dance Journey

Opening Act (Ages 18months- 2 Years)

Our Opening Act Program is for children ages 18 months- 2 years. Students will learn various ways to move their bodies to music and even get to learn pre-ballet movement. These classes work on listening, structure, and development of motor & social skills. Opening Act classes require adult participation; the classes offered are Mini Movers & Tiny Twirls. Don't miss out on making creative memories with your little one. Weekly classes are 45 Minutes long. Opening Act dancers do not participate in our annual recital, but have an in studio end of year showcase.

Act 1 (Ages 3-4 Full Year)

Act 1 courses are catered to preschool aged children. Students will get the opportunity to start their dance journey with Creative Movement Ballet or Hip Hop & Tumbling. These classes are combined with interactive props and games while students learn the beginning fundamentals of their style. Act 1 courses engage students in socialization, structure, classroom etiquette and the beginnings of dance technique. Weekly classes are 45 Minutes Long and Act 1 students participate in our annual recital.

Act 2 (Ages 5-6 Full Year)

Act 2 courses are catered to students ages 5-6 who are ready to take their dance journey to the next level. Act 2 Courses offer a wide variety of classes and styles all throughout the week. Students may pick combination classes of Ballet/Tap or Ballet/Jazz in which they will dive deeper into two different styles in one class. Act 2 also allows students to dive deeper into their Hip Hop, or Acrobatics technique. Weekly classes are 1 Hour Long and Act 2 students participate in our annual recital.

(En)CORE Program (Ages 7-18 Full Year)

Our (En)CORE Program is for all students ages 7-18. Whether your child is a beginner or has years of training, we have opportunities, styles and levels catered to all. These dancers have so much fun, build friendships and find a love for dance that carries throughout their journey. We focus on strengthening technique, and most importantly building confidence, achieving personal goals and growing as an all encompassing individual. Weekly classes are 1 Hour long and (En)CORE program students participate in our annual recital.

Bravo Broadway Mainstage Musical Theatre

Encore's Bravo Broadway Mainstage Musical Theatre Program dives deep into key techniques of singing, dancing & acting. Students will learn performance techniques that will get them ready for the stage and beyond. They will learn professional theatre etiquette and all of the tools it takes to be a part of a theatrical production.

Bravo Broadway strives to give students the necessary tools needed to excel as a triple threat. Specific singing, dancing and acting technique training is incorporated into rehearsals for mainstage musicals.

Please note, Encore believes that all students will learn necessary skills while being apart of a production and no part is any less significant than another. We expect all of our families to support this philosophy

Rehearsal schedule is Sundays, and additional days added as performance gets closer.

Members of Bravo Broadway are also apart of of Encore's Entourage membership program

Our Theatre & Music Studies program is group classes.

These classes allow students to dive deeper into other aspects of performing arts and collaborate with one another in a group environment to create art and let their creative sides thrive.

These group classes will participate in an end of year collaboration mini play as well as an in-studio December showcase.

Welcome to our Studio Gift Bag

Why is the pricing different from other dance studios? Typically studios require a registration fee, recital fee, costume charges, and additional payments to be made throughout the year. We have simplified things by adding up those total costs and dividing them across the year so that you are never faced with an unexpected charge. This also allows you to save your total cost overall throughout the year compared to other studios.
